EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Paul Kurdirka on July 26, 2006.

The application has been amended as follows:

Claim 19, line 4, before "computer", insert -tangible—

Claim 19, line 4, after usable, insert - -storage—

2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach a federated bean running in each host computer that includes a configuration monitor that receives configuration change events from the event service and updates the category list in response thereto so that category lists in all of the federated beans contain the same events even though the a change is made to a category list in only one bean.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
